

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

Sean P. Miner

Plaintiff

v.

Cavalry Portfolio Services, LLC

Defendant

Civ. A. No. 12-12051-RGS

**Motion to Extend
Settlement Order**

Plaintiff Sean P. Miner moves the Court to extend the deadline under the settlement order of dismissal by 30 additional days. As grounds, Miner states that the parties had believed that they were near settlement, and requested a 30-day settlement order of dismissal, which the Court entered on January 24, 2013.

Since then, however, the parties have been unable to agree on material settlement terms, and Miner desires additional time within which to discuss resolution of this case without further expenditure of resources.

WHEREFORE, plaintiff Sean P. Miner respectfully requests that the deadline under the Court's settlement order be extended by an additional 30 days.
